

FALL FUNDRAISER 2016

Pleasant Ridge Elementary

# Ninja Warrior Challenge

#PRPRIDE

## Support your student and raise funds for playground equipment & more!

Each year we have our big Fall Fundraiser that supports PR initiatives all year long. Money is spent on books, field trips, curriculum needs, family events, technology and safety. Last year PR PTA raised and invested over 50k for our school. All of the kids benefit when we work together!

This year, we would like to invest in playground equipment and improvements, in addition to building and classroom needs.
