How to Participate in Shoebox Float Parade

Step 1: Create your float

Start with a “shoe box” base like a recently delivered online order box, an old shoe box, a crate, a tub, or a container of choice. Your float does not have to roll, it just needs to be homemade. Next, find materials around your house like flowers from your yard, craft supplies, construction paper, dolls/action figures, building blocks, paint, pictures, or anything else you can find to bring your vision to life! Lastly, using Saline High School Homecoming theme of “Hollywood Mask-erade” or Blue & Gold as your inspiration, start building your float!

Step 2: Submit your entry by photo

- All submissions must be received by 5 p.m. on Wednesday, October 7, 2020 via email to SHS-StuCo@salinehornets.org.

Step 3: Watch your float

Tell your friends & family to watch the virtual parade and see your float featured in Saline High School Homecoming “Parade”. More video details coming soon.
